

NORDIC CAFE LINGUA FOR YOUTH

NEWSLETTER 3, JUNE 2025

International café in Sweden in June 2025

In June 2025, the project had an international Café meeting in Sweden. Partners and young people from Iceland, Finland and Sweden met and had a language café together. The young people enjoyed learning about the cultures and the Nordic languages together. For lunch, B-Creative offered traditional midsummer food. During the workshop, we used flash cards that were available in Swedish, Icelandic, Finnish and English, we learned how the different words were pronounced and discussed different holidays in each country.

You can read more on the project's website at <https://nclyproject.com> and follow us on Facebook at <https://www.facebook.com/nclyproject>
